## **DETAILED ACTION**

### ***Response to Arguments***

1. Applicant's arguments, see pages 11-12, filed 6/6/05, with respect to the groove portion having a bottom surface have been fully considered and are persuasive. The rejection of claims 1-3, 5-8 and 10-14 has been withdrawn.

### ***Allowable Subject Matter***

2. Claims 1-3, 5-8 and 10-14 are allowed.

3. The following is an examiner's statement of reasons for allowance: The references of the Prior Art of Record fail to teach or suggest either alone or in obvious combination the limitations as set forth in the independent claims, and specifically comprising the limitation of a groove with a bottom provided in each of the vibration arms and a support member crossing the groove in a width direction.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
